## EQUIPTO *PRODUCT ANNOUNCEMENT* economy wire shelving

Equipto is pleased to announce the addition of economy wire rack. The easy to install rack frame assembly features a 4 gauge wire deck protected with a durable

gray powder coat finish. The offering is targeted for open wire rack installations where loading will not exceed 1000 lbs./per tier

#### FEATURES AND BENEFITS:

- High visibility for inventory inspection
- Increase overhead sprinkler effectiveness
- Eliminates dirt build-up
- Improves air circulation
- Expandable construction
