The Equipto Advantage

With over 100 years of history and experience, and proud AAM members, Equipto values its history as much as you do. We strive to preserve our quality and customer service, today and for years to come!

V-Grip™ Shelving

At the heart of Equipto's engineered space solutions is the V-Grip shelving unit. V-Grip shelving is an industrial shelving system designed to be unmatched in structural integrity and provides the Museum Storage industry with the broadest selection of accessory components to meet virtually any application.

Featuring:

- Open Shelving
- Closed Shelving
- Closed Shelving with Drawers

Mobile Aisle Storage

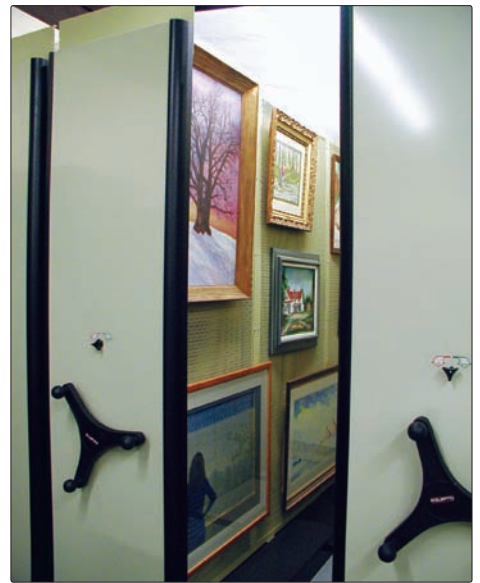

As Museums continue to grow, storing collections is a problem many museums face today. Expansion projects are too costly, and real estate may not be available. The solution is an Equipto Mobile Aisle System which can help reduce wasted space by up to 50%. Each shelving or drawer section can be customized to accommodate your specific collection and storage need.

Features & Benefits

- Baked powder coat paint eliminates off-gassing
- Optional custom foam inserts for drawers
- Optional locking features available
- Drawers feature a 6 ball bearing setup to ensure a smooth open and close to avoid any disruption of artifacts

Easily store items such as:

- Framed artwork
- Garments and textiles
- Small and large artifacts

Modular Drawer Cabinets

Organize everything from the small artifacts to large paintings. Every heavy-duty Equipto modular drawer cabinet is engineered and manufactured with exacting precision. With multiple drawer options to choose from a modular drawer cabinet is just the security you need to keep vital artifacts safe and secure for years to come.

Features & Benefits

- Up to 400 lb. drawer capacity
- 100% extension for each drawer
- Easy smooth drawer operation
- Interchangeable partitions and dividers allow for infinite storage possibilities
- Add a lock for extra security
